

## Program Highlights:

- HCI Zakaat Committee members maintain regular communication with branch officials to ensure transparency and efficiency.
- Annual house visits are conducted to verify the circumstances of recipients and meet branch officials. This ensures that funds are directed to the most deserving families.
- Our goal is to support 10% of the most needy Zakaat recipients in Fiji.

This program's success is a testament to the commitment of our team and donors. We leave no stone unturned to ensure it is impactful and meaningful for those we serve.

## Qurban Project

Through our Qurban Project, donors purchase shares via our website, and we facilitate Qurban in Fiji in collaboration with Fiji Muslim League Branches. Meat from the Qurban is distributed to all Zakaat recipients in the respective branch lists, ensuring that vulnerable families benefit from this act of worship.

We thank our donors for their continued support, and we look forward to making future Qurban projects even more impactful.

## Ramadan Food Pack Project

Before Ramadan, HCI raises funds to distribute food packs to all branch Zakaat recipients. These packs provide essential items to help families prepare for

the holy month, ensuring they have enough to sustain them during this spiritually significant time.

The success of this initiative depends on the generosity of our donors, and we deeply appreciate your contributions.

## Water Well Projects

HCI collaborates with Road to Jannah (UK) to provide safe and clean drinking water to disadvantaged Muslims in remote regions of Pakistan. This initiative aims to address water scarcity, which is a major issue in these areas, improving health and hygiene for the most vulnerable communities.

We thank our donors for their support in making this life-changing project possible.

## HCI Iftaar Projects in Africa and Beyond

In collaboration with Road to Jannah, HCI sponsors Iftaar meals during Ramadan in remote communities in Uganda, Rwanda, and Pakistan. These meals provide much-needed nourishment to families observing the fast, bringing smiles and relief to those who otherwise struggle to secure food.

## Your Support Matters:

This initiative has been a success thanks to your generosity. May Allah SWT reward you abundantly for bringing joy and comfort to fasting families. We look forward to your continued support in the years ahead.
